AS a caregiver registering as an independent contractor on the referral list for Just Like Family Home Care, LLC, I understand that I am self-employed and negotiate the rates I receive for the clients I am referred to. I also understand that, in addition to the rate I agree upon with the client, Just Like Family Home Care will charge the client a referral fee. I realize that, if I set my rates too high, other caregivers may be more affordable to the clients and thereby have more opportunities for referrals.

I am interested in the following referrals: Hourly Live-In/ Daily

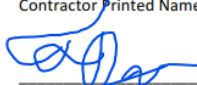

Just Like Family Home Care, in its marketing and administrative functions, attempts to identify client opportunities within a caregiver's preferred range of rates.
