

# Application Instructions

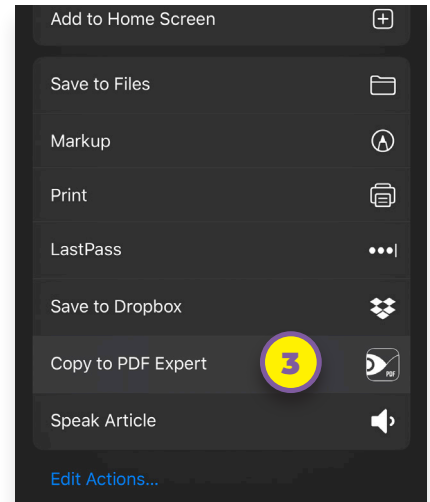

For these instructions, we are using an app called PDF Expert available in the Apple app store. This a free app with paid extensions. **The paid extensions are not required to complete these steps.**

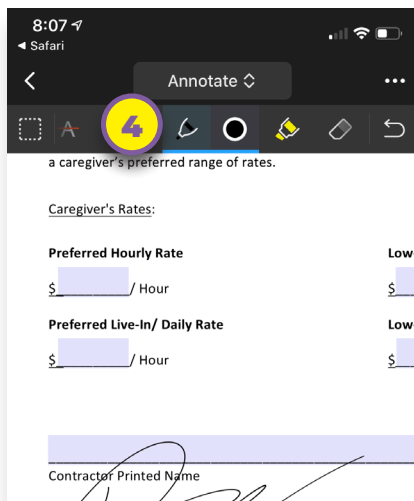

**1** Tap “Download Application”

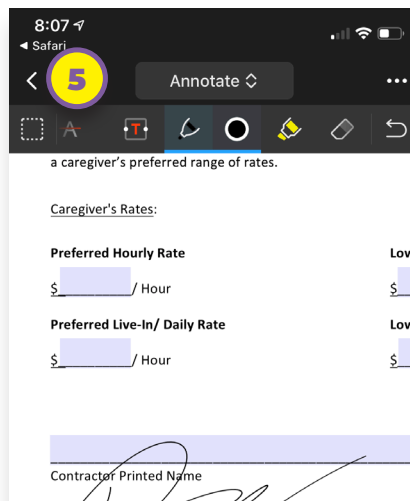

**2** Click the Share (  ) icon at the bottom.

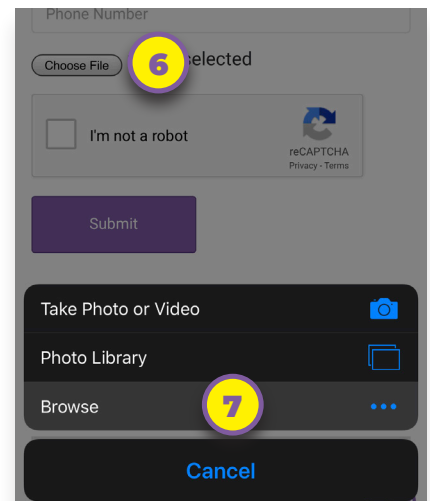

**3** Select Copy to PDF Expert

**4** Fill the Form using PDF Expert. To Sign, tap the pen icon at the top and sign using your finger.

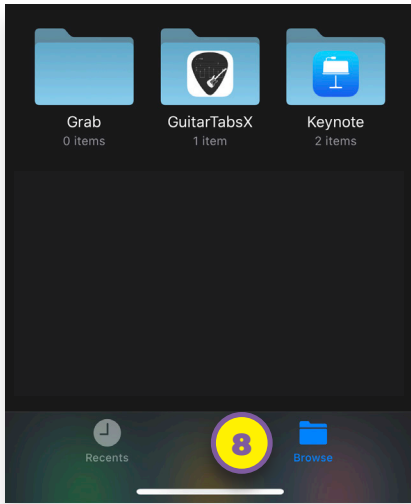

**5** When complete, tap the back arrow (<) in the top left to save and return to the website.

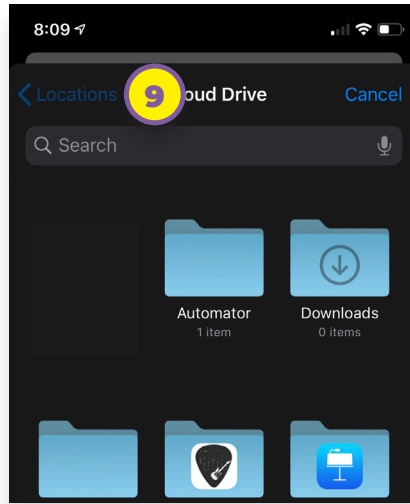

**6** Select “Choose File”

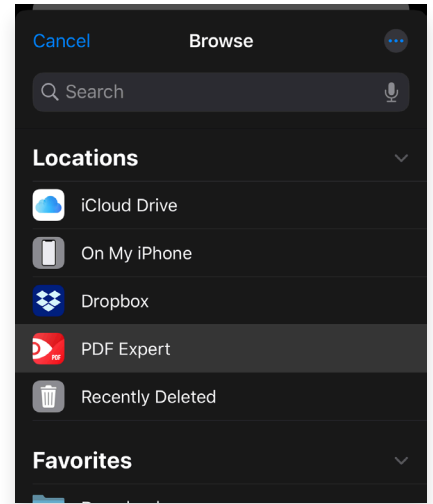

**7** Choose “Browse”

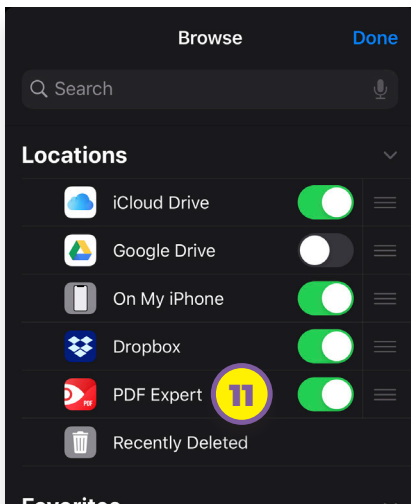

**8** Choose “Browse” in the bottom right.

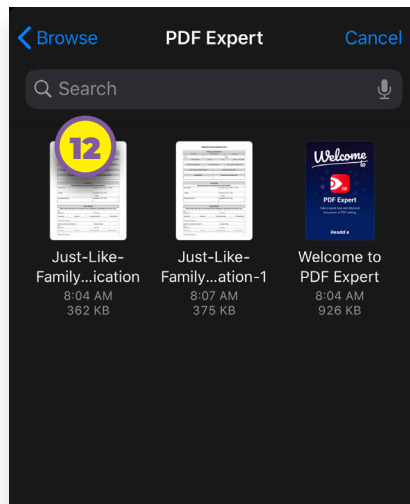

**9** If “iCloud Drive” opens, choose “Locations” in the top left to browse other locations.

**10** If PDF Expert is available, select PDF Expert. If not, continue to the next step.

**11** If it is not available, select the three dots in the top right. Select “edit” and turn PDF Expert on.

**12** Select the completed form, complete the remaining fields on the Just Like Family website and tap submit.
